Dear Mr. Leonard,

The following is the New Hanover County submittal for consideration and inclusion in the 2015 NCACC Legislative agenda process. This information has also been submitted via your website.

- Continue beach nourishment and inlet dredging funding
- Monitor and contribute to CRC pending 'sea level rise' study, polices and/or programs changes
- Restore film incentives
- Restore Historic Preservation Tax Credits
- Protect County requirements for land use planning and design regulatory authority
- Provide supplemental revenue types for economic development infrastructure
- Discourage any taxing restrictions on and impacts to County's ability to raise revenue
- Explore a statewide bond for school construction and long term growth needs

Thank you for this opportunity. If you need additional information please contact me
