

COMMUNICATIONS AND OUTREACH LIAISONS 2015 - NHC is proud to have a team of staff who are experienced professionals in their fields available to answer questions that arise from media and speak as representatives of their respective departments. The following is a list of those individuals serving in positions as departmental spokespersons and / or as Communications and Outreach liaisons.

For optimum service if you have an information request, please refer to the 'Info Requests' tab of the Communications and Outreach Office page. Your request, once submitted, will be fulfilled as promptly and thoroughly as possible. It will also be logged and tracked for efficiency and quality assurance purposes.
